Short overview of your organisation (key activities, experience)	<p>The municipality of Oeiras occupies an area of approximately 46 km², on the north bank of the Tagus River, and is part of the Lisbon Metropolitan Area. It has a resident population of about 175,224 inhabitants and is the 5th most densely populated municipality in Portugal.</p> <p>Geographically, its territory is somewhat rugged, and the highlights of the landscape are the valleys created by streams and the higher areas, such as the Serra de Carnaxide mountain. It is part of the Estoril Coast, benefiting from a temperate maritime climate, suitable for outdoor activities and the enjoyment of its appealing gardens, parks and beaches. Overall, it is considered a municipality that offers a high quality of life. Its privileged position, close to the capital, has led to growing development and urban growth, mainly due to the settlement of companies in the municipality. As such, Oeiras is an autonomous economic hub: it is one of the most developed and richest municipalities in the Iberian Peninsula and even in Europe. With the highest per capita income in Portugal, it is also the 2nd municipality with the highest purchasing power.</p> <p>Economic level is directly related to education, and this link shows that Oeiras is the Portuguese municipality with the highest density of college-educated residents and the lowest rate of unschooled inhabitants. Many multinationals and about 30% of the country's scientific capabilities are located in its territory, and it is one of Europe's main R&D centres. It is now a destination of excellence for investments that create added value for the region.</p>
