| Short description | <p>The region of Cinco Villas takes its name from the five towns that in the Middle Ages were dependent on the King of Aragon, Alfonso I: Ejea de los Caballeros, Sádaba, Sos del Rey Católico, Uncastillo and Tauste, villas endowed with royal privileges after the Reconquest. Cinco Villas region is composed of 31 municipalities. It extends over a territory of 3,062.5 km² with 31,422 inhabitants. The Comarca of Cinco Villas is a public body which was created in 2002 by a law of the Government of Aragon, Spain. The Comarca will be responsible for the execution of works, the rendering of services and the management of supramunicipal activities, cooperating with the municipalities that integrate it in the fulfillment of their own purposes.</p> <p>Likewise, the Comarca of Cinco Villas will represent the interests of the population and of the territory included within the regional delimitation, in defense of solidarity and balance within the territory of the Region of Aragon.</p> <p>The Cinco Villas Region may exercise powers in the following areas:</p> <ol style="list-style-type: none">1) Territorial planning and urban planning.2) Transportation.3) Protection of the environment.4) Urban waste collection and treatment service. |
