

DANCE IN NATURE 2014

Project description: Contemporary dance art in Latvia has been seeking original performance sites, by uniting and creating a synthesis of various genres of art. One of the expressions of contemporary dance is Dance in Nature, where choreography is adjusted to a certain place, area or object. Within the framework of this framework of this project it is planned to organize Dance in Nature 2014 dance and art festival in Ropaži in July 2014.

The objective of the project is to organize the international Contemporary Dance and Art festival "Dance in nature 2014" in Ropaži municipality, to promote cooperation between Norwegian and Latvian representatives and to ensure international circulation of cultural products.

The project applicant is Ropaži municipality, the project partners from Latvia are the Dance Support Foundation "Zvaigžņu AkA" and from Norway Siri&Snelle Produksjoner. Both partners are contemporary dance organizations.

Project activities:

1. Master classes;
2. Preparation of performances;
3. Neighbour cooperation events (short format works/ performances/ shows);
4. Cycling excursion in Ropaži municipality;
5. Demonstration of dance films;

6. Talk/discussion on and around "Dance in nature";
7. Two long format dance shows;
8. Closing event;
9. Project management;
10. Publicity.
