Short description of the organization (max. 1200 characters)	<p>The city of Isaccea rises up the hills on the right bank of the Danube, about 35 km northwest of city of Tulcea and 41 km from Galati, in an area full of natural charm.</p> <p>The city is crossed by DN E87, Tulcea - Braila, which provides connections with the city and other localities in the county and country. The population of Isaccea is 5,026 inhabitants. Most of the inhabitants are Romanian (90.99%). The main minorities are Roma (3.86%) and Turks (1.81%).</p> <p>The city of Isaccea has as its main concerns ensuring the well-being of the citizens from the constituent localities of Isaccea (residence), Revărsarea and Tichilești. Welfare has been gained in this city through various projects in infrastructure, tourism, culture, and the creation of youth centers for the purpose of involving them in the cultural and artistic life of the city.</p> <p>In addition to these basic investments, Isaccea City focuses on providing European citizens with panoramas. For this purpose the House of Culture (Isaccea- Romania) and the Cultural Association "Znanie" (Dodritsch- Bulgaria) have partnered to bring closer the citizens of the two communities of European values.</p> <p>This promotes intercultural development, the exchange of experience, the active involvement of citizens in the decision-making system, in a word, the welfare offered by social cohesion.</p>

Description of the project proposal	
• Strand, Measure	2.1 measure/ Twinning between cities
Submission deadline	1 st of September 2019
Title of the project	“Active involvement of citizens in the life of local communities under the umbrella of Europe”
Short description of the project (aims, objectives, main activities, target group, venues, expected results) (max. 1500 characters)	<p>The town of Isaccea organizes a twinning meeting between May 8 and May 10, 2020 in Romania, with the participation of 88 guests from the partner country and 88 other citizens from Isaccea.</p> <p>The second event will take place between June 19 and June 21 in the partner country, with the participation of 88 guests from Romania with 88 people from the local community of the partner country.</p> <p>The aim of our project is to develop an event that has six main lines of action: "European dimension", "Celebrating the European Day," "Values, traditions, culture ", "Europe for all", " Young and their leisure time " , "Projections about the future".</p> <p>On these days, people will know the EU better by participating in various interactive activities organized such as public debates about ensuring the political peace and economic reconstruction; ensuring cooperation between European nations, convergence of interests of the European peoples; establishing courses of action for further and sustainable development, competitions that need participants' knowledge on EU policies and encourage them to present new and durable ideas and promote active participation of citizens.</p> <p>Citizens will learn about the importance of the EU and about the three fundamental values, tolerance, solidarity and the fight against discrimination, values that are closely linked. The importance of these values in the EU should be passed on to younger generations but also to older generations so that they can benefit from these values. Trainers, teachers, senior experts of older generations will be involved in the debate by promoting the principle of active aging. In the two partner communities involved in this project, the fundamentals of the EU will be presented, thus developing the interest for these values.</p> <p>Cultural and regional exchange represent the key to good union, it is not enough to be aware of others knowing their cultural traditions, culinary and others, it is as important as the foundation of freedom justice and peace, to the recognition of the inherent dignity of all EU family members.</p> <p>This event aims to promote the twinning of our communities through administrative, economic, cultural and artistic actions and spending the free time.</p>
