Description of the project	
Action, Measure in the framework of „Europe for Citizens” Programme	<p>Strand 1 European Remembrance</p> <p>Specific Priority: 2004 - 15 years of EU enlargement in Central and Eastern Europe.</p>
Timetable of the project	12 months
Short description of the project, including its aims	<p>Name of the project "Together to learn EU history and to build our EU history"</p> <p>The idea of the project is to explore the process of EU enlargement by focusing on how EU accession has affected to each Member State. In addition, we will examine the EU as a whole and its policies among local communities. The project will provide information campaigns and debates to explain the opportunities, benefits and obligations stemming from EU membership, volunteering, non-formal education and active citizenship. There will be debates on the benefits of EU membership against Eurosceptic arguments.</p>
Role of the partner organisation in the project	Partners from all EU Member States.
Comments from the applicant	We are looking for the following partners: Non-governmental organizations, Youth organizations, Local authorities, etc.
