### Culture sub-Program

Strand/category **European cooperation projects**

Deadline Autumn 2019 / Deadline for partner search July 15<sup>th</sup> 2019

### Cultural operator(s)

Name Association of Citizens "Kruna"

Short description The Association of Citizens "Kruna" is non-governmental and non-profit association. Areas of activities are the research and reform of art, science and culture, affirmation of young artists, research and development of alternative art forms and practices, as well as the cooperation with cultural, art and scientific institutions.

As a association we are dedicated to present the artists and street art of Belgrade, Serbia - and use this platform to start a conversation, make connections and also be a part of socially responsible practises - trough exhibitions, workshops, round tables, real time painting with artist from around the world, street art tours, working with the vulnerable groups...etc.

Contact details President:  
Mrs. Jelena Popović Đorđević, [jelena.popovic.pr@gmail.com](mailto:jelena.popovic.pr@gmail.com)

### Project

Field(s) Street art

Description "Street Art Museum" - Street art museum is a long-term digitalization project for preserving the street art. Through this project, available material is kept (photo and texts) and is made available to the public through an innovative platform (a virtual museum) that is continuously maintained and updated with the material.
