Short presentation of your organisation (key activities, experience)	<p>Folkuniversitetet is an educational organisation which offers courses and programmes in various subjects. These range from Swedish for immigrants to foreign languages, arts course such as painting, sculpting, singing or dance classes. Apart from this we help people get their first jobs and to start work training.</p> <p>In a new project we want develop new methods of connecting researchers from the university world to ordinary citizens. We want to make research more accessible to everyone in the society and we have long standing experience in organising research events in cultural spaces.</p>
Description of the project	
Action, Measure in the framework of "Europe for Citizens" Programme	<p>"Citizens fighting Climate Change."</p> <p>A Civil Society Project within the programme Europe for Citizens. We wish to apply to do a project strengthening "Democratic engagement and civic participation".</p>
Timetable of the project	1st of March 2020- 30th of September 2021
Short description of the project, including its aims	We wish to connect networks of citizens who are concerned about climate change with one another. The project aims to let these different networks present their different local suggestions and solutions to climate change and how to reduce the emissions of

Europe
for Citizens

	greenhouse gases. We are certain that sharing experiences and sharing concerns, we can find solutions much faster and in more productive ways than if we all have to invent different solutions in our respective country.
Role of the partner organisation in the project	To create a programme of exchange of ideas together with us and to come up with ideas which we can present to our EU-politicians together.
Comments from the applicant	Everyone is welcome, everyone is needed.
